Subject: Virginia Annual Air Quality Monitoring Network Review

Dear Mr. Welsh:

In accordance with the Commonwealth of Virginia State Implementation Plan and requirements of the EPA 105 and PM2.5 103 Grants, the Virginia Department of Environmental Quality has conducted an annual review of the ambient air monitoring network.

This review was completed by the DEQ Office of Air Quality Monitoring. Attached is a listing of all sites in the Virginia Air Quality Monitoring Network as of this date. Also attached are maps of pollutant sites and listings of air monitoring site and instrumentation changes that have taken place since the last review. This year's review also includes a copy of the NCore Work Plan for the Commonwealth of Virginia.

A draft of the Annual Network Review was posted for public inspection from Beginning date, 2009 to Ending date, 2009 on the internet on the VA DEQ "Air Public Notices" web page. There was XX comments received from the public. All comments have been reviewed and addressed. Attached to this submittal are the responses made to the comments received.

Sincerely,

David K. Paylor
